

TECHNOLOGY STUDENT ASSOCIATION PLAN OF WORK

Date	Task	Time involved	Team member responsible (student initials)	Comments
1/3/19 1.	Brainstorming ideas for the band & overall website design	3 hours	All members	We outlined how the website would be structured, picked a color theme, and divided up the work for the rest of the project.
2/6/19 2.	Began coding the website (homepage, menu, etc.)	9 hours	All members	We programmed the homepage.
2/27/19 3.	Compiled information for the band	3 hours	All members	We decided on the band members, wrote out the blog posts, compiled photos, and wrote out biographies for each band member.
3/8/19 4.	Continued to gather information on the band and aggregated content for our chapter	2 hours	All members	In terms of the band, we decided on the music and continued to enhance our previous work. In terms of the chapter information, we compiled information about volunteering, gathered testimonials, and took updated pictures.
3/30/19 5.	Coded the band website	10 hours	All members	We coded the store to purchase tickets and band merch and added the band members' biographies.
4/5/19 6.	Student Interviews	2 hours	All members	We conducted video interviews of students in Hebron TSA to capture what they liked most about being a part of the club.
